

Public Meeting Regarding Redevelopment of Park and Planning Site in Silver Spring

**Tuesday, June 11, 7:00 p.m.
M-NCPPC, Montgomery Regional Office at
8787 Georgia Ave., Silver Spring
Hearing Room**

The Montgomery County Department of Transportation is soliciting developers for a mixed use design and development project in Wheaton and Silver Spring. The objectives of the construction are the following:

- *Redevelopment of the Park & Planning site on 8787 Georgia Ave & Spring St., in the Silver Spring Central Business District.*
- *In Wheaton, mixed-use development including a new M-NCPPC Headquarters office building, town square, public parking garage and possible additional County offices.*

Come learn more details about the project at this public meeting while also sharing your interests and concerns related to the redevelopment. Potential developers will be there to hear your comments and feedback.
